MISCELLANEOUS

MYSORE CITY IMPROVEMENT TRUST BOARD

Dated 1st November 1920.

Notice is hereby given that sealed tenders will be received at the office of the Chairman, City Improvement Trust Board, up to 15th December 1920, for supply of cast iron articles. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1921.

2. The plans, detailed estimate and conditions may be seen at the Chairman's Office at Town Hall, Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4 Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supply of cast iron articles, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chairman, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chairman's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Notice is hereby given that sealed tenders will be received by the Chairman, City Improvement Trust Board, up to 15th December 1920 for the supply of English brand cement or of Indian manufacture of equal quality.

The approximate quantity of cement required during the current year beginning with January 1921 and ending with June 1921, is about 300 and the same should be supplied in about equal quantities every month, or as they are required. The above quantity is not, however, guaranteed.

Further particulars could be had on application to the Chairman, Mysore City Improvement Trust Board.

The weight of cement in each barrel to be 400 lbs. The cement to be fresh and uncaked, delivered F. O. R., Mysore, in good condition at supplier's risk or through an authorised agent.

The first delivery to be by the 1st January 1921. Records of tests of analysis to accompany tenders.

The cement not to fall short of the requirements of the British Standard Specification and to have as little free lime as possible with co-efficient of contraction a minimum.

Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supply of cement," in default of which, tenders will be rejected.

The final acceptance of tender will rest with the Chairman, City Improvement Trust Board, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chairman's Office, and intimated in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tender, the earnest money on rejected tenders will be returned.

Notice is hereby given that sealed tenders will be received at the Office of the Chairman, City Improvement Trust Board, Mysore, up to 15th December 1920, for supply of stoneware pipes and specials. An approximate estimate of quantities is given below. These quantities are not guaranteed. The supply should be completed by the end of June 1921.

2. The plans, detailed estimate and conditions may be seen at the Chairman's Office at the Town Hall, Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Chairman. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred and fifty only Rs. 250, in cash or Government Promissory Notes as earnest money, and be superscribed "Tenders for the supply of stoneware pipes and specials," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Government of Mysore, who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chairman's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Pipes should accord exactly with the specification herewith supplied.
